

ST.MARY'S PUBLIC SCHOOL, KURUPPAMPADY

Dear Parent

In order to reduce stress of students before and during their most difficult subject exam Mathematics, the CBSE is introducing two levels of examination in mathematics for Class X students in this academic year. The first level will be **Mathematics- Standard (041)**, while the second level will be **Mathematics -Basic (241)**. Kindly go through the details regarding the new scheme and choose the level which your ward prefer.

NB: Those who choose Mathematics Basic for their Class X examination cannot opt mathematics as their main stream in their future studies.

Please tick the option and send it back:
